### How to reach IMT Lille Douai, Bourseul site (941 Charles Bourseul street)

#### **By train**

##### From Paris Airport (Charles De Gaulle)

There are train connections between Charles de Gaulle Airport and Douai train station. The TGV station « Aéroport Charles de Gaulle 2 – TGV » is located in Terminal 2 (between halls 2D / 2F and 2C / 2E) so you can access the TGV station on foot. From Terminals 1 and 3, you can take the CDGVAL free automatic metro to the Terminal 2 nearby the "TGV-RER station Aéroport Charles de Gaulle 2". You can book your train ticket at [www.oui.sncf/](http://www.oui.sncf/).

##### From Orly Airport

After arriving at Orly Airport, take the OrlyVal train from either Orly South Terminal (Orly Sud) or Orly West terminal (Orly Ouest) towards Antony station, then transfer to RER B train to "Paris - Gare du Nord". Then take a train from "Paris - Gare du Nord" to Douai. You can book your train ticket at [www.oui.sncf/](http://www.oui.sncf/).

### From Lille Lesquin Airport

You can take the Lille Airport Shuttle which is located in the drop-off zone, at the level of entrance door A, near the check-in desks and Departures zone. The Lille Airport Shuttle parks in the immediate vicinity of the train station and the "Lille Flanders" metro/tram station (<http://www.lille.aeroport.fr/getting-to-the-airport/shuttle/>). From Lille station, it takes approximately 25 minutes to reach Douai station by train ([www.oui.sncf/](http://www.oui.sncf/)).

### **From Douai Train station**

If you will not take the shuttle organized for group transport or if the shuttle is not available at your arrival time, you can take the tram (line A), that stops directly in front of the Douai train station, direction 'De Lattre de Tassigny', stop "Ecole des Mines". Then walk straight ahead on "Bethune Street", take your right to "Charles Bourseul Street" until you get to IMT Lille Douai, it takes about 5 minutes.
